Renew Your ACerS Membership in Seven Steps

1 Make Corrections to Member Information

Please review and correct contact information and add e-mail address if missing.

IMPORTANT: Please complete the information on back of form.

Tired of getting renewal notices every year? Sign up for a **multi-year renewal** and lock in the current dues level now.

2 Review Membership Dues Options

Regular Membership

☐ 1 year ☐ 2 years ☐ 3 years

Associate membership $40 (Young professionals receive their first year of membership free and their second year of membership for just $40. The third year of membership renews at $120.)

☐ 1 year

Senior Membership: If you are 60+ years old, have at least five years of consecutive membership in ACerS, and are retired, call Customer Service to see if you qualify for reduced senior membership dues. You must meet all three criteria to be eligible.

If you would like to change your term of membership, cross out the dues below and write in new dues from the choices above.

3 Choose Additional Membership Options

a. Members receive free online access to the *Journal of the American Ceramic Society*, the *International Journal of Applied Ceramic Technology* and the *International Journal of Applied Glass Science*. To order **print** subscriptions at the reduced member rate, contact Customer Service or visit **www.ceramics.org/publications-and-resources/journals**.

b. Review your Division membership(s) below and correct if needed. If you are not a member of a Division, please see choices on back of page, select one, and write it in below. One Division is included in your membership dues. Additional Divisions are $10 each.

c. Review your Class and Section memberships and correct if needed. You may add affiliations by reviewing lists on back, then write in your choices and dues below.
