Questions

Please answer the following questions to the best of your ability.

Yes No Unsure

Will you be able to attend the annual delegate meeting? (Note: the annual delegate meeting is the weekend prior to MS&T 2016 in Salt Lake City, UT, October 23-27)

Are you willing to find other travel support (e.g. from your university, department, etc.) if PCSA cannot cover all of your travel costs to the annual meeting at MS&T 2016?

Are you a current member of PCSA?

Choose an item.

If yes, what committee did you serve on?

Are you a student studying at a university outside of the U.S.?

Are you a Material Advantage Member? (Note: Material Advantage membership is required to be a PCSA delegate.)

Choose an item

What is your current ACerS division? If you do not have a division, please choose one. (Note: information about the ACerS divisions can be found [here](#))

Are you planning to attend MS&T 2016 if not selected as a PCSA delegate?

Additional Application Information

Please submit the following to applypcsa@ceramics.org **April 15, 2016**:

- Resume that clearly identifies your year in school and includes any leadership, research and employment experience
- Brief letter of support from a faculty member
- 1-page personal statement that addresses:
 - Your reasons for wanting to attend the PCSA meeting at MS&T16 and why participation in PCSA will be valuable to you and your local university or department
 - Your interest in ceramics or glass
 - Your academic or career plans for the near future (within 10 years)

If you are a returning delegate, please submit the following to applypcsa@ceramics.org by **April 15, 2016**:

- 1-page personal statement that addresses:
 - What committee you were part of the last year and what you did on the committee
 - How PCSA has benefited you and your future plans
 - Your academic or career plans for the near future (within 10 years)

For more details about PCSA and delegate duties, please visit the PCSA website: <http://ceramics.org/pcsa>.
