

2014/2015 President-Elect, Board of Directors, and Division and Class Officers named

The new slate of ACerS officers for the upcoming term has been determined. There were no offices that were contested this year and there were no write-in candidates submitted by membership, automatically making all nominees "elected." Due to a change to the ACerS constitution that was approved by the Board in Montreal in October 2013, there is no need to prepare a ballot or hold an election when only one name is put forward for each office.

The term of office for each position will begin October 16, 2014 at the conclusion of MS&T in Pittsburgh. Your new 2014/2015 officers will be:

President-Elect

To serve a one-year term from October 16, 2014 to October 8, 2015:

Mrityunjay (Jay) Singh

Board of Directors
