

## 2016–2017 ACerS officers named

---

The new slate of ACerS officers has been determined. There were no contested offices and no write-in candidates, automatically making all nominees “elected.” A change to the ACerS constitution in October 2013 eliminates the need to prepare a ballot or hold an election when only one name is put forward for each office. The new term will begin October 27, 2016, at the conclusion of MS&T.
