The American Ceramic Society Cements Division

CONNECT WITH YOUR INDUSTRY

WHO IS THE CEMENTS DIVISION? As one of 10 Divisions of The American Ceramic Society, we advance the fundamental materials science of cements with an emphasis on nano- to microscale research, and develop new technologies for concrete.

WHAT’S IN IT FOR YOU

• Connecting with industry professionals
• Meetings, symposia, and related events to stay current
• Access to member resources and industry publications
• Leadership development opportunities
• Awards and recognition
• Access to peer-review journals
  – Journal of The American Ceramic Society
  – International Journal of Applied Ceramic Technology
  – International Journal of Applied Glass Science

WHO IS ACERS? We are an international society serving the engineered ceramic and glass industry with more than 11,000 professional and student members in 70 countries.
