

2015–2016 President-Elect, Board of Directors, and Division and Class Officers named

The new slate of ACerS officers has been determined. There were no contested offices and no write-in candidates, automatically making all nominees “elected.” Because of a change to the ACerS constitution in October 2013, there is no need to prepare a ballot or hold an election when only one name is put forward for each office.

The new term will begin October 8, 2015, at the conclusion of MS&T.
