

STUDENTS

show off your demonstration skills!

MAKE A VIDEO TO SHOWCASE HOW CERAMIC AND GLASS SCIENCE IS SO AWESOME!

3RD ACERS NEXT TOP DEMO COMPETITION!

Get a group of fellow students together and submit a video conducting a ceramic and/or glass outreach demonstration.

A short summary of your demo is also required with your video, answering these four questions:

- What are the scientific concepts you are showing?
- How are you showing these concepts?
- What age group is the demo geared toward?
- How often have you given this demo?

Deadline for submissions: April 15, 2019

For video requirements, specifications, and how to compete, go to ceramics.org/pcsademo.

Scientific and Viewer's prizes will be given in the amounts of \$250.

The winners will be recognized at the annual MS&T conference in October 2019.
