

2019-2020 ACerS officers

The new slate of ACerS officers has been determined. There were no contested offices and no write-in candidates, automatically making all nominees "elected." ACerS rules eliminates the need to prepare a ballot or hold an election when only one name is put forward for each office. The new term will begin October 3, 2019, at the conclusion of Annual Meeting/MS&T.
