

Nomination for Fellow

550 Polaris Parkway, Suite 510
Westerville, OH 43082-7045 USA

NOMINATIONS DUE: August 15, 2019
(for elevation to Fellow in the following year)

QUALIFICATIONS OF A FELLOW:

Fellows shall be persons of good reputation who have reached their 35th birthday and who shall have been members of the Society at least five years continuously at the established nomination deadline date when nominated. They shall prove qualified for elevation to the grade of Fellow by reason of outstanding contributions to the ceramic arts or sciences; through broad and productive scholarship in ceramic science and technology, by conspicuous achievement in ceramic industry or by outstanding service to the Society.

NOMINATION PROCEDURES:

* This form must be signed by seven sponsors, who must be members of The American Ceramic Society at the time of nomination. Faxed, scanned, photocopied, and electronic signatures are all acceptable in lieu of an original signature. Signatures do not need to be on one form, but may instead be sent to the Society on individual forms, as long as a total of seven sponsors' signatures are received.

* The completed nomination forms shall be accompanied by a single page letter from the first sponsor setting forth the nominee's qualifications.

* In addition to the letter from the first sponsor, single-page endorsement letters from up to three other sponsors (ACerS membership not required) may accompany the nomination but are not required.

* Once received, a nomination may be considered by no more than four consecutive Panels of Fellows. The nominee must remain an active member throughout this time.

NOMINEE'S BACKGROUND AND QUALIFICATIONS

- 1. PERSONAL INFORMATION:** Name, date of birth, ACerS member number and date joined, employment information
- 2. PROFESSIONAL BACKGROUND:** Positions held prior to present position, including dates, nature, and extent of duties in each position; colleges or professional schools, with years of attendance and degrees; honorary degrees, awards, distinctions, professional registration.
- 3. PRODUCTIVE SCHOLARSHIP:** Important publications, including titles and where and when published. List patents, if any, by title.
- 4. PROFESSIONAL AND CORPORATE ACHIEVEMENTS/SERVICE TO THE SOCIETY:** Outstanding work, including unpublished research and corporate achievements, in the field of ceramics with which the nominee has been associated in a responsible capacity and his/her relation to this work. Service to the Society including offices held and committee assignments, meeting organization, etc. in the Society, Divisions, Sections, and Chapters (up to 3 pages of attachments).
