President's Council of Student Advisors

## What is PCSA?

The President's Council of Student Advisors (PCSA) is the student-led committee of The American Ceramic Society (ACerS) composed of ceramic and glass-focused students from around the world. New and returning delegates gather in the fall on the weekend prior to MS&T, for the PCSA annual business meeting. All delegates choose to serve on one of five committees for the next year. Delegates establish new goals for the upcoming year, discuss committee plans, and reassess progress made over the previous year.
