

ATTENTION: UNDERGRADUATE AND GRADUATE STUDENTS

HOW DID THIS CERAMIC BREAK?!

3RD ANNUAL PRESIDENT'S COUNCIL OF STUDENT ADVISORS (PCSA)

STUDENT AND INDUSTRY FAILURE TRIALS (SIFT) COMPETITION

Wednesday, January 29, 2020

5:30 p.m. at the Ocean Center Arena

SUPPORTED BY COORSTEK

Gather a team of up to 4 students to carry out failure analysis on ceramic materials!

Use your expertise to answer questions such as:

- How and why did the material fail?
- What is a better processing method to prevent such failure?

Teams will be provided with the circumstances in which the failure happened as well as some analysis data on the material.

Participation is first-come, first serve - and spots are limited!

For more information, contact pcsasift@ceramics.org
