

## 2020-2021 ACerS officers

---

The new slate of ACerS officers has been determined. There were no contested offices and no write-in candidates, automatically making all nominees "elected." ACerS rules eliminates the need to prepare a ballot or hold an election when only one name is put forward for each office. The new term will begin October 8, 2020, at the conclusion of ACerS Annual Meeting/MS&T.
