

ANNOUNCING THE ACERS PCSA 2ND ANNUAL Humanitarian Pitch Competition!

The ACerS President's Council of Student Advisors (PCSA) is hosting a competition for you to pitch your ideas to a panel of judges about how you can address a challenge that a community is experiencing.

By utilizing your material engineering background, you should aim to show how improved materials/processes will benefit the community that is in need.

This year's competition theme is
**UTILIZING LOCAL & SUSTAINABLE
MATERIALS FOR IMPROVED
INFRASTRUCTURE**

The following prizes will be awarded:

1st place - \$500

2nd place - \$250

3rd place - \$150

4th place - \$100

For more information and to submit your abstract, go to: www.ceramics.org/pitchcomp

You may contact Andrew Jacobs,
jacobsa9@udayton.edu
with any questions.

*COVID-19 Update

The MS&T organizing societies are monitoring news and information related to COVID-19 on an ongoing basis. Because your safety and well-being are our top priority, we will follow guidance from the U.S. Centers for Disease Control and Prevention, the World Health Organization, and federal, state, and local governments. At this time, we are moving forward with MS&T20 as scheduled. If plans should change, we will provide updates through the MS&T20 website and by e-mail to registrants, exhibitors, presenters, and other confirmed participants. We will continue to monitor the situation and to put plans in place to ensure the safety and health of all MS&T20 participants.

WHO: Undergraduate and graduate students

WHEN: October 5, 8-11am

WHERE: MS&T2020 Pittsburgh, PA*

HOW: Submit abstract by **Sept. 1**

Teams may include up to 4 students, with at least one student attending to present to the judges on October 5.

Put your skills to the test by delivering an idea on how materials can benefit an underserved community!
