

# ceramicSOURCE

## THE PREMIER PUBLICATION

**ceramicSOURCE** is the first stop for thousands of ceramics professionals worldwide. Bottom line: If they're looking for suppliers of quality raw materials and powders, equipment, and services, they'll find it—and should find you—in this annual buyer's guide from The American Ceramic Society.

Published in the December issue of *ACerS Bulletin*, **ceramicSOURCE** is available in both print and electronic versions—making it easier to connect current and potential customers with the industry's top providers of materials, machinery, and more.

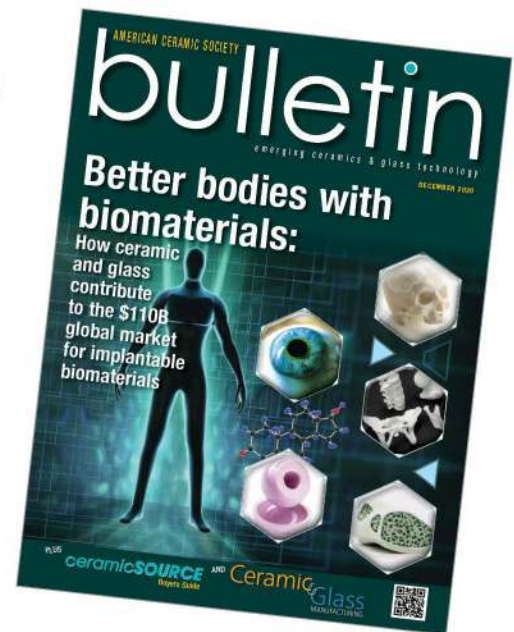

Advertise in **ceramicSOURCE** and in addition to your full-color display ad, you'll receive (at no additional cost):

### PRINT EDITION OF **ceramicSOURCE** RECEIVE:

- 2 FREE 1-inch ceramicSOURCE product ads under product category of your choice
- FREE logo in company directory

### ONLINE IN THE **ceramicSOURCE** RECEIVE:
