

# ACERS Faculty Mentor Program

CONNECT | MOTIVATE | ACHIEVE

[CERAMICS.ORG/MENTORSHIP](http://ceramics.org/mentorship)

The **ACerS Faculty Mentor Program** is designed to equip faculty members in materials science with the insight, tools and connections necessary to make a lasting impact in their university career.

If you are a **faculty member seeking to gain pedagogical expertise** in your field of study, professional development skills, practical advice, encouragement or support, then please consider applying for the program.

If you have been **successful in your university career** and are seeking to give back in any of these areas, then please consider applying to be a mentor. You will be leaving a lasting impact on an amazing faculty members (and their students)!

**Space is limited!** Sign up early to ensure a spot in this year's program. Find the mentorship application forms at [www.ceramics.org/mentorship](http://www.ceramics.org/mentorship).

Visit [www.ceramics.org/mentorship](http://www.ceramics.org/mentorship) for more details and to sign up to be a mentor or mentee with the ACerS Faculty Mentor Program.
