

ACERS Industry Mentor Program

CONNECT | MOTIVATE | ACHIEVE

CERAMICS.ORG/MENTORSHIP

The **ACerS Industry Mentor Program** is designed to equip faculty members in materials science with the insight, tools and connections necessary to make a lasting impact in their university career.

If you are an **industry professional seeking to gain expertise** in your field, professional development skills, practical advice, encouragement or support, then please consider applying for the program.

If you have been **successful in your industry career** and are seeking to give back in any of these areas, then please consider applying to be a mentor. You will be contributing and giving back to benefit growth in your field!

Space is limited! Sign up early to ensure a spot in this year's program. Find the mentorship application forms at www.ceramics.org/mentorship.

Visit www.ceramics.org/mentorship for more details and to sign up to be a mentor or mentee with the ACerS Industry Mentor Program.
