

THE AMERICAN CERAMIC SOCIETY
Basic Science Division

Connect with your industry.

WHO IS THE BASIC SCIENCE DIVISION?

As one of 11 divisions of The American Ceramic Society, we focus on developing foundations of ceramic science and identify new areas of ceramic science critical to our industry for present and future applications.

WHAT'S IN IT FOR YOU

- Connecting with industry professionals
- Annual meeting
- Access to member resources and industry publications
- Leadership development opportunities
- Awards and recognition
- Access to peer-reviewed journals
 - › **Journal of The American Ceramic Society**
 - › **International Journal of Applied Ceramic Technology**
 - › **International Journal of Applied Glass Science**
 - › **International Journal of Ceramic Engineering & Science**

➤ ceramics.org/bsd

WHO IS ACERS? We are an international society serving the engineered ceramic and glass industry with more than 10,000 professional and student members in 70 countries.

Basic Science Division

...HELPS YOU EXPAND YOUR NETWORK IN YOUR INDUSTRY

Flagship meetings

- ELECTRONIC MATERIALS AND APPLICATIONS
(Co-organized with Electronics Division)
- MATERIALS SCIENCE & TECHNOLOGY
TECHNICAL MEETING

GIVING BACK

- Gordon Research Conference on Solid State Studies in Ceramics
- Pre-conference tutorials for students
- Student recognition and travel support
- Leadership and committee positions

PEER RECOGNITION

- The Robert B. Sosman Award and Lecture
- Graduate Excellence in Materials Science Awards
- Roland B. Snow Award: Best of Show of the Ceramographic Contest

BUT DON'T TAKE OUR WORD, LISTEN TO WHAT OUR MEMBERS ARE SAYING:

The Basic Science Division provides a wealth of opportunities for networking and synergism. It has a strong emphasis on academic participation and plays an important role in the development of young professionals."

– **Doreen Edwards, Rochester Institute of Technology**
