

# ACERS MENTOR PROGRAMS

The American Ceramic Society offers **Mentor Programs** designed to equip participants with the insight, tools, and connections necessary to make a lasting impact in their future career.

## STUDENT

Students have the opportunity to be matched up with a professional from a variety of areas: university, corporate, national lab, manufacturing, etc.

## FACULTY

Current college/university faculty have the opportunity to be matched up with **either a peer or a senior faculty** within a university setting.

*ACerS Mentorship Program was fantastic! I have learned a lot about many different career development skills! My mentor had amazing communication skills, I found myself inspired and motivated following meetings with my mentor! Thank you very much for organizing such a great program! - Irem Efe*

## INDUSTRY

Industry professionals with an interest in gaining expertise in the field have the opportunity to be matched up with a seasoned professional in industry.

**Program registration opens up in the Fall each year.**
