

Engineering Ceramics Division

Bridge Building Awardees

Date	Name
2026	Shunpei Yamazaki, Semiconductor Energy Laboratory Co., Ltd.
2025	Csaba Balazsi, Hungarian Academy of Sciences
2024	Kiyoshi Shimamura, National Institute for Materials Science
2023	Paolo Colombo, Politecnico di Torino, Italy
2022	Jingyang Wang, Institute of Metal Research, Chinese Academy of Sciences
2021	Monica Ferraris, Politecnico di Torino, Italy
2020	Toshihiro Ishikawa, Tokyo University of Science, Yamaguchi (Sanyo-Onoda City University)
2019	Jerzy Lis, AGH University of Technology, Poland
2018	Yanchun Zhou, Aerospace Research Institute of Materials and Processing Technology
2017	Pavol Šajgalík, Slovak Academy of Sciences
2016	Hai-Doo Kim, Korea Institute of Materials Science
2015	Sanjay Mathur, University of Cologne, Germany
2014	José Arana Varela, São Paulo State Research Foundation
2013	Tatsuki Ohji, Meijo University, Japan

- 2012** Alexander Michaelis, Fraunhofer Inst. for Ceramic Technology and Systems, Germany
- 2011** Lalit Mohan Manocha, Sardar Patel Univ., India
- 2010** Walter Krenkel, University of Bayreuth, Germany
- 2009** Dongliang Jiang, Shanghai Institute of Ceramics, China
- 2008** Stuart Hampshire, University of Limerick, Ireland
- 2007** Katsutoshi Komeya, Yokohama National University, Japan
- 2006** Jürgen G. Heinrich, Clausthal University of Technology, Germany
- 2005** Koichi Niihara, Osaka University, Japan
- 2004** Roger Naslain, University of Bordeaux, France
- 2003** Yoshinari Miyamoto, Osaka University, Japan
- 2002** Nils Claussen, Technical University/Hamburg-Harburg, Germany
